

## Welcome Bulldog Student-Athletes!

The Tennessee Wesleyan Sports Medicine Department would like to welcome all of you to campus as we approach the beginning of another exciting year of Bulldog Athletics. In an effort to streamline the clearance process, you will need to complete several forms prior to participation. For your convenience, we have made our forms available online. The link below will direct you to these downloadable documents. These documents must be completed prior to the beginning of every school year. These forms must be completely filled out, signed, and turned into the Athletic Training Staff before you will be cleared for participation. If all of these forms are not complete, you will not be cleared for participation until they are complete. **Please Note: if you are under 18 years of age, your parent or legal guardian must also sign these pages.**

**Attention Fall Season Athletes:** Once you have completed these documents, please staple the pages together and mail them to Tennessee Wesleyan Athletic Training, at the address listed below **no later than August 1, 2011.**

If you have any problems or questions with these forms, please feel free to contact us directly via email. We hope you have had an enjoyable summer, and we look forward to assisting you during your athletic career at Tennessee Wesleyan College!
