

Visiting Teams and Athletic Trainers

The Sports Medicine staff at Tennessee Wesleyan College would like to welcome you to our campus. The training room is located on the outside, lower level of Robb Gymnasium and it will be open two hours prior to all scheduled home contests. You are welcome to use our training room and modalities as needed prior to your contest. If your team is traveling without an ATC we will be glad to assist your teams as we are able. We require that you bring a Certified Athletic Trainer's written request for modality usage and that you provide your own taping supplies as well as towels. Water, cups, ice, and emergency equipment will be provided at all games and there will also be a Certified Athletic Trainer on duty for all home games.

Athletic Training Room:

Ice & Ice Bags
Moist Heat Packs
Ultra Sound/E-stim
Biohazard Materials

Sideline Supplies:

Cups/Water
Biohazard Kit
Injury ice and bags
AED/Emergency Equipment (home)
